Hialeah

OVER 70 YEARS OF
Excellence

Located on the scenic Las Palmas Village campus in beautiful Hialeah, Florida, Susanna Wesley combines clinical excellence with comfortable living, making it the ideal location to get better and go home, or age in place among friends that feel like family.

Here, we have the professional medical support that you need to avoid rehospitalization and heal fully, at your own pace.

RATED 5 STARS
BY CMS ★★★★★

Awarded 5 stars by CMS, our high caliber of patient-centered care is recognized throughout the area, and our facility has been an integral part of the community for over 70 years. We take pride in delivering a continuum of care imbued with warmth and compassion.

CARING FOR YOU Like Our Own

With our close proximity to major area hospitals, our patients are assured access to the highest caliber of clinical care.

Our center features a constant physician presence, 24/7 skilled nursing care, and regular rounds by leading specialists.

In addition, we have on-site diagnostic equipment so there is no need to transport our patients elsewhere for testing.

We take pride in our bilingual staff who bridge cultures and languages, fostering a warm and inclusive environment where communication knows no boundaries.

Post Acute Care

Whether you face a cardiac, orthopedic or pulmonary condition, our cutting-edge post acute care and rehabilitation services will help you reach your health and wellness goals as quickly and safely as possible.

We believe in personalized care. Our experienced therapists work closely with you to create a tailored rehabilitation plan.

We use advanced techniques, equipment, and evidence-based practices to optimize recovery.
